

**SAFE SPACES
FOR INCLUSION
OF LGBT+
YOUTH**

11 - 19 DEC. / TURIN

AIM OF THE PROJECT

Training Course **SAIL** – Safe spaces for Inclusion of LGBT+ youth – starts from the desire to build a society that is **inclusive towards every kind of diversity**, particularly for minorities related to sexual identity.

That is why the project's main aim is to **promote the inclusion of LGBT+ youth through the creation of safe and inclusive spaces** in usually heteronormative contexts.

This aim will be reached by transferring specific competences to youth workers who do not directly work with LGBT+ minority.

The Training Course will be **participant-centred, through the use of Non Formal Education methodology**, together with some elements coming from theatrical methodology.

The project will provide a **concrete support to people working in the youth field and to youth organisations**, promoting the exchange of good education practices at an international level.

OBJECTIVES

To raise awareness on the challenges faced by **lgbt+ youth in youth work**, taking into account the peculiarities of the participants' local contexts;

To promote a language that is **inclusive towards lgbt+ minority**, through the analysis of the terms related to it;

To deepen the knowledge of the mechanisms of **stereotypes and prejudices based on sexual identity**, in order to deconstruct exclusion and discrimination;

To provide **useful tools to implement good practices** of inclusion of **lgbt+ minority**;

To enhance the implementation of an **intersectional approach** and a change in each one's attitude, both at work and in daily life;

To provide **tools to transfer what the participants have learned to their sending organizations**, thus guaranteeing a better quality of their work.

OUTPUT

As a concrete output of the project, the participants will **produce a Booklet gathering the tools and good practices** resultant from the Training Course.

This Booklet will be spread on-line by the partner associations as means to provide specific contents, that can be easily consulted and accessible to every youth worker.

PROFILE OF PARTICIPANTS

The project involves participants from Italy, Portugal, Spain, Netherlands, Malta, Greece, Croatia and Romania (three per each Country):

- aged between 18 and 35
- active in youth work field
- interested in intercultural experience
- available to participate in the project for its entire duration
- motivated to become multipliers of the outcomes of the project in their local context.

Participants will be selected through an Application Form (LINK), respecting the gender balance.

Every participant is individually entitled to receive a **Youthpass Certificate** which confirms participation and validates the non-formal learning (NFL).

For more information on Youthpass, visit: www.youthpass.eu

THE METHOD

A variety of educational tools and methods of **non-formal learning** and **interactive participant-oriented approaches** such

as role plays, simulations, workshops, exercises, theater tools, debate sessions and presentations will be combined.
