Arrival of participants is planned for 4th of May 2019, during the day. (No formal activities will be organized on that day).

Departure of participants is planned for 12th of May 2019.

About the Youth Exchange

The main purpose of this youth exchange is to empower European citizenship and to encourage youths involved in the democratic life of Europe, in particular by motivating them to participate in the 2019 EP Elections.

- to explore the role of common within the wide concept of European Citizenship by placing it in a European context and discussing the idea of “Europe”
- to raise awareness among young people about their own culture
- to develop solidarity and promote tolerance among young people, in particular in order to foster social cohesion in the European Union
- to foster mutual understanding between young people in different countries and to highlight the intercultural and interreligious dialogue as an opportunity to contribute to a diverse and dynamic society in Europe
- to promote active participation of young people in the upcoming EP Elections
