

# ALL ABOARD THE MENTORSHIP

Prilep, N.Macedonia / 16-22.08.2021

## INFO PACK

### OBJECTIVES

- clarifying ( raising awareness about) the role of a mentor;
- identifying a common understanding of the role and needs for mentors;
- developing consciousness of the learning processes in which the volunteers and mentors are involved;
- being able to identify key moments in the volunteers' and mentors' development: when learning, development and personal change occur;
- to teach the mentors different tools and methods for support;
- to understand the task and the importance of the mentor's valuable contribution;
- coaching vs. mentoring;
- to offer a space for sharing experiences and good practices amongst mentors;
- to develop a strong connection between the mentors & volunteers;
- to find new ways for the volunteer to be motivated and inspired;
- to expand the network between the organisations who are working with ESC;
- to compare expectations with reality, misinterpretation of ESC;
- supporting the returning ESC volunteers;

### TRAVEL BUDGET (PER PARTICIPANT)
